There are many ways to support the ongoing work of the Foundations;

- A Club can become a 100% Participating Club by contributing annually \$10 per club member.
- Making donations to recognise worthy community citizens or Lions Club members by bestowing Life Membership or Life Governorship.
- Corporate Sponsorships, Donations and Bequests.

The ongoing support of the community and our Lions, Lioness, and Leo Clubs will guarantee that the Foundations can continue to function successfully.

## ANNUAL CAR RAFFLE

The Foundation's Annual Car Raffle is vital. Each year the raffle raises around \$60,000 and at the same time raises community awareness to the contribution that the Foundations make to the community.

Through the raffle, the owners of the Foundations, the Lions Clubs of NSW and the ACT, have the opportunity to make an annual contribution to the upkeep and running of their Foundations. Lions Clubs are asked to either sell tickets in the community or to donate the value of the tickets. The Club then may have a car to raffle to boost its own Club funds.
